INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Washington, DC 20231

Sir:

We submit herewith the usual Form PTO-1449 together with copies of publications listed therein. They are submitted to comply with the Applicants' duty of disclosure under 37 C.F.R. §1.56 and are believed related to this application.

Also enclosed is our check for \$180.00 since we are submitting this Information Disclosure Statement after the mailing date of the first Office Action but before the mail date of any of a final action under 37 C.F.R. §1.113, a notice of allowance, or an action that otherwise closes prosecution in the application. If, however, this check is inadvertently not enclosed or is insufficient, the Examiner is authorized to charge any insufficiency to Deposit Account No. 13-3405. This authorization is made in duplicate.

We are submitting this in the spirit of voluntary disclosure and look forward with interest to the Examiner's action at an early date on the merits of the case.

It is accordingly requested that the Information Disclosure Statement be officially entered in the file of this case and that appropriate notification be made that it was considered in the prosecution of the case.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'T. Daniel Christenbury', followed by a handwritten note 'Reg No. 38,412'.
